

The Purpose of the Friends of the Harnett County Public Library System is to promote the development of excellent library service in our county; to foster closer relations between our library and the citizens of our county; to promote knowledge of the library's functions, resources, services, and needs ; and to provide the means for members to exchange ideas, information, and experience.

—Bylaws

Projects:

Each year the Friends adopt a project to help the library. Some of the projects have been: map cases, PA System, lateral file cabinet for the History Room, books, help financially with the publication of the library newsletter, laminating machine, beautification of the grounds, just to name a few.

Programs:

The Friends have a number of programs each year that are free to the public. We strive to have a wide variety of programs, speakers and performing arts.
