

- **Understanding How Changes in Medicare Effects Dialysis Coverage and The Patient**

Objective: This workshop is designed for dialysis social workers, long term care social workers, hospital case managers, and other “social work” or “patient relations” positions, where the professional provides guidance to dialysis patients regarding their benefits. This workshop will provide a general overview of the Seniors’ Health Insurance Information Program (SHIIP), recognizing Medicare fraud and abuse, overview of low income subsidies, and a detailed overview of the changes in Medicare that directly impact the benefits of dialysis patients.

Presenters include: Barbara Pope, Regional Manager (Southeast Region); Stephanie Bias, NC SMP Program Coordinator; Ellouise Garvin, I&A/OC Program Director and SHIIP Coordinator; Lisa Hughes, MSW Social Worker; LeAnn Blackmon, RSVP Director and Medicare Coordinator.

When:
June 26, 2018

Where:
Cumberland County Department of Social Services
Meeting Room D
1225 Ramsey Street
Fayetteville, NC, 28301

Time:
9:00 a.m.—12:00 p.m.
