

TEAM TALK

Up to Date Information for Relay For Life of Harnett County Team Captains

MARCH 2006

Your Relay Dollars at Work

- 1. They have helped fund the initial research of 38 Nobel Peace Prize Laureates who discovered cancer screenings and treatments including the: **Pap Smear, Mammogram, Tamoxifen, The PSA test and Gleevec.***
- 2. Your dollars have helped make the ACS Patient Resource Navigation Center become a reality. This wonderful cancer resource center allows cancer patients and their family members to receive cancer information anytime of the day or night from highly trained Cancer Information Specialists. These staff can serve as warm friendly voice in the middle of the night during people's journey with cancer. Each month over 100,000 people call the Patient Resource Center, which can be reached at **1-800-ACS-2345.***
- 3. In 2004, your contributions helped fund over 13.6 million in cancer research in North Carolina.*
- 4. They have funded the various American Cancer Society patient support programs and services that cancer patients and their families use everyday in your community including **Reach to Recovery, Look Good Feel Better, Road to Recovery, and Man to Man.***
- 5. These funds have helped bridge the gap in disparities for better access to cancer screenings for all residents of North Carolina.*
- 6. Your dollars have also helped fund the Youth Quitline in Eastern North Carolina that is designed to help reduce youth smoking in North Carolina.*

TEAM COMPETITIONS SCHEDULED FOR NIGHT OF RELAY FOR LIFE

We are delighted to bring back team competitions again this year. Because we all had so much fun last year, we decided to move the times of the events earlier so more people can enjoy.

WOMANLESS BEAUTY REVUE is scheduled to take place at 10:30 p.m. Each team can submit an entry into this event. Registration forms will be in your Relay Packet, which you will receive this next month. Completed forms are to be submitted to the entertainment tent at Relay by 9:00 p.m. We will be honored to have a final walk by our reigning Queen who will do the honors of crowning our new winner.

TOILET PAPER WEDDING DRESS CONTEST is back by popular demand! At midnight each participating team will be given 5 rolls of toilet paper to make a wedding dress. You are allowed to bring any supplies necessary to make the dress (i.e. tape scissors, etc) but the entire wedding dress must be made from the toilet paper. Be sure to bring any props to go along with your bride... such as a bouquet.

LIP SYNC CONTEST is scheduled to begin at 1:00. Each team can submit an entry. Registration forms and music is to be turned in to the entertainment tent by 9:00 p.m. Music must have team name and song track listed on it. Performances should last between

FREE SKIN AND BREAST CANCER SCREENINGS SCHEDULED

We are delighted to announce the return of the free cancer screenings again this year. Last year, we unrolled a new concept which allowed individuals to be screened at Relay and we were recognized as the Best Mission Delivery Relay in Eastern North Carolina... this year we have added to the screenings to include both skin and breast cancer screenings from 6:30 – 8:30 Friday evening of Relay. Drs. Ellmers, Lopez, and Rao will be conducting the skin cancer screenings and two female healthcare providers will be conducting the breast screenings. For more information or to set up an appointment, please call 892-1000 ext 4111.
