

DEMOLITION
ABANDONED HARNETT COUNTY SEWER PLANT
Addendum No. 1

To: Prospective Contractors
From: Ben Nuesmeyer, Capital Project Manager
Date: May 2, 2017
Project: Demolition Abandoned Harnett County Sewer plant

All Prospective Contractors are hereby notified of the following additions and the request for an Additive Alternate proposal for the referenced project:

Item # 1:

Contractor will be required to purchase any and all demolition permits from the Town of Erwin.

Item # 2:

Harnett County Department of Public Utilities desires to have a second proposal included with the above referenced project. The proposal will be considered an additive alternate for additional work to be done at the Old Erwin Swift Plant Site. Prospective Contractors acknowledge they understand this proposal does not guarantee work if selected for the original scope of work. Contractors acknowledge they have visited the site with a Harnett County Representative and understand the scope of work for the additive alternate proposal follows the same demolition scope as the referenced project above.
