

ENTERPRISE FUNDS

Enterprise Funds account for operations financed and operated in a manner similar to private business enterprises – where the costs of providing services are financed primarily through user charges. Harnett County maintains one enterprise fund to account for the operations of the water and sewer districts. The County maintains ten additional funds to account for the debt service for each district. The County maintains a separate enterprise fund for the operations of the landfill.

INDIVIDUAL FUND DESCRIPTIONS:

Harnett County Public Utilities Fund – accounts for the operations of the ten water and sewer districts, which provide water and sewer to the residents of the County.

Individual Water and Sewer Funds – account for the debt service for each of the water and sewer districts. These funds are the Northeast Metro Water and Sewer District, the Buies Creek / Coats Sewer District, the South Central Water and Sewer District, the West Central Water and Sewer District, the Northwest Water and Sewer District, the Southwest Water and Sewer District, the Bunnlevel / Riverside Water and Sewer District, the Southeast Water and Sewer District, the East Central Water and Sewer District, and Riverside Water and Sewer District.
