Harnett County Health Department

Early Detection Saves Lives!

Schedule your Mammogram

September 28

October 5

October 26

The best way to find breast cancer early is with a **Mammogram**. *A mammogram is an X-ray of the breast.* The Health Department provides access to Mobile Mammography screenings in partnership with Rex Mobile Mammography.

*For women who are uninsured and need a mammogram funding assistance is available for those who meet specific criteria.
