

National ASK Day is June 21

36%
of homes
have a
dog.

40%
of homes
have a
gun.

80% of unintentional firearm deaths of children under age 15 occur in the home.

Hiding a gun in a closet, in a drawer, under the bed or similar location **is not** safe storage.

Parents can protect their children by making sure guns are **stored, locked, unloaded** and **not accessible** to children

ASK Day reminds parents about the importance of asking if there are guns in the homes where their children play.

Free Gun Safety Lock

A limited supply of **free gun locks** will be made available at the Health Department, while supplies last.
