Health Check

Does your child have health insurance?

Health Check (Medicaid) provides free or low cost health insurance for children and teens who qualify.

Health Check is North Carolina's Medicaid program for children (up to the age of 20)

As your local Health Check Coordinator, I can assist your family with the application process for your child's health insurance. This program also covers children living with grandparents, other family members, or friends.

***This is a free program**
