Harnett County Health Department

Patient Portal

You can now access your health information from the **Health Department** through the **Patient Portal.**

The **Patient Portal** is a web-based system that allows you to access your medical information anytime, anywhere and it is secure and HIPAA compliant.

To activate **your Patient Portal**, please type this URL in your Mozilla Firefox web browser's address bar.

Note: Mozilla Firefox is the only web browser compatible to access your Patient Portal. To download Mozilla Firefox, please go to www.mozilla.org

Activate your **Patient Portal** account, today, it's free, quick, fast and easy!
