

VAPING AND E-CIGARETTES: WHAT PARENTS SHOULD KNOW

Join us for an informative discussion about the alarming trend among middle school and high school students. Learn about what these products are, why they are harmful, and how to protect our youth and young adults from this latest trend.

Tuesday, January 7, 2020

5:30pm-6:30pm

Governmental Complex Commons Area
309 W Cornelius Harnett Blvd Lillington

Refreshments will be provided.

**For more information or to register:
Harnett County Health Department
