

ADOPT A SHELF

Many times patrons have asked "What can I do to help?"

Now we have the answer! With the ever-growing collection and increase in circulation, we just do not have the time to keep the shelves neat and tidy and in their right places!

The library staff needs volunteers to help keep the shelves neat and in order.

Have you ever attempted to find something that was not where it belongs. With over 100,000 books, this is a huge task.

Some people just shove unwanted items on the shelf. It is very much like finding ice cream in the cereal aisle at the grocery store.

So, if you like things neat and orderly, and findable, please consider donating a few hours a week to help us put the ice cream back in the freezer section!

ADOPT A SHELF

Thank you for helping the library staff to make to be proud of your library.

Adopt a shelf today. We will proudly display your name on the shelf that you adopt, showing everyone that you take pride in the way your library looks.

Any time you have will be helpful. 30 minutes a week goes a long way. Give it a try.
