*A municipality includes the area within 1 mile of the town limits (ETJ). Verify ETJ by contacting Town Hall

*Where "County" is listed, the County will perform inspections, "Town" indicates that the town will perform inspections

*Harnett County requires a Zoning Permit or letter of approval for **any work** to be done in a municipality or within their ETJ if the County is performing the inspection

*A \$200 fee is due at time of plan submittal for Health and Sanitation plan review. If the application is for a chain restaurant, the fees and application are mailed directly to the Environmental Health Services Section, Facility and Plan Review Unit.
