About Our Memorial Conference

This is our 2nd Annual **Inaugural Dr. Daniel Kaufer Memorial Caregiver Conference**. Dr. Daniel Kaufer served on the Dementia Alliance Board of Directors from 2006 until his death in July 2020.

Dr. Kaufer was a source of knowledge, answers and hope for the families he served at the UNC Memory Disorders Clinic. His vision of "what dementia care should be" played out in his research and how he helped families get the resources they needed and deserved.

Dementia Alliance of North Carolina is honored to continue his legacy by establishing the Dr. Daniel Kaufer Memorial Caregiver Conference and the Dr. Daniel Kaufer Memorial CARE Fund.

This one-day virtual conference will focus on:

Dementia: Beyond Memory Loss
