NOW, THEREFORE, BE IT RESOLVED by the Harnett County Board of Commissioners as follows:

1. The Board of Commissioners finds as a fact, based on the population numbers in **Exhibit A**, that there is substantial inequality of population in the existing districts from which its members are nominated and elected such that revising the district boundaries is required by North Carolina General Statutes § 153A-22.

2. Plan 5 was prepared from United States Census Bureau maps and the boundaries of Plan 5 have been drawn to follow census block lines as depicted in **Exhibit B**. A list of the census blocks in each district under Plan 5 is attached as

Exhibit C for reference and to resolve any issue that might arise concerning the boundaries of the districts.

3. The population and demographic statistics associated with Plan 5 are presented in **Exhibit D**.

4. The new district boundaries shall be used for the next election of members of the Board of Commissioners and for each subsequent election until the boundaries are altered according to law.

5. A copy of this resolution and the maps showing the district boundaries shall be retained in the office of the Clerk to the Board.

6. As required by Section 153A-22(f) of the General Statutes, a certified copy of this resolution shall be provided to the Secretary of State, the Harnett County Register of Deeds, and the Harnett County Board of Elections. In addition, maps and information about the new district boundaries shall be provided to the Harnett County Board of Elections with the request that the board notify residents of Harnett County of changes in the districts in which they vote.
