Clarifications:

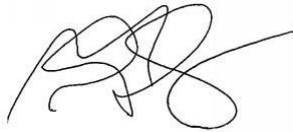

Question: What is the General Liability Insurance General Aggregate coverage required by Harnett County?

Answer: The required General Liability Insurance General Aggregate coverage required by Harnett County is five million dollars (\$5,000,000.00).

Question: This appears to be a demo job only. Is Builder's Risk coverage required?

Answer: A substantial portion of this project is demolition of the existing structure. However, in addition to the demolition there are plumbing, mechanical, electrical, and architectural scopes covered in detail in the Bid Documents.

Insurance coverage shall be provided as required in Section 00800 – Supplementary Conditions, Article 6 – Bonds and Insurance.
