## SECTION I

## GENERAL REQUIREMENTS AND INSTRUCTIONS

## A. INTRODUCTION/PURPOSE

The County of Harnett invites your proposal for third-party claims administration and adjustment services for its Workers Compensation Self-Insured program.
The services to be provided are indicated under Section I of these specifications. The County prefers a fixed-fee contract beginning July 1, 2024, with an anniversary date of June 30, 2025, and June 30 of succeeding years thereafter. Fixed-fee proposals are requested for one-year and three-year contracts, with options for two one-year contract renewals.
These specifications include performance criteria which must be satisfied. The County will retain the right to terminate the service agreement with thirty (30) days' notice for any reason. However, before cancelling the service agreement, the County will allow a thirty (30)-day period for any service provider to remedy any deficiency identified by the County. If a contractor fails to correct any stated deficiency within thirty (30) days of notification by the County of Harnett, all fees accrued during the period of non-compliance will be reduced by $5 \%$.

## B. NOTICE

1. The information contained in these specifications is confidential and is to be used only in connection with preparing proposals for the administration of claims.
2. The County of Harnett reserves the right to accept or reject, in part or in whole, any portion of the proposed services when, in its judgment, such action is deemed necessary and in its best interest. The County of Harnett also reserves the right to waive or dispense with any of the formalities contained herein.
3. Each proposer is asked to submit quotations based on the specifications contained herein. Alternative proposals will also be considered, provided the alternatives are clearly explained. All deviations from the specifications must be clearly identified and explained in the applicable proposal form.
4. The underwriting information contained herein is believed to be accurate and up-to-date but is not intended to be an express or implied warranty.

## C. TIME TABLE

1. The specifications will be available on or about February 19, 2024.
2. Requests for additional information or clarification are due by 3:00p.m. February 26. 2024.
3. Proposals must be delivered electronically to purchasing.support@harnett.org no later than 3:00p.m. on Fridav, March 8. 2024. Please include the RFP No. HR-03082024 in the subject line.
4. Selected providers will be notified no later than the week of March 29, 2024.
5. An executed Service Agreement is to be delivered to Janice Lane at the County of Harnett by no later than the week of April 19, 2024.
6. Claims services are to begin on or before July 1, 2024.

## D. COMMUNICATIONS

1. Requests for clarification, interpretation, or additional information should be submitted, in writing, to Renea Warren-Ford via e-mail at rwarren-ford@harnett.org.org. Only written requests to this email address will be considered. Request for additional information, clarification, or interpretation are due by $3: 00$ p.m. February $26,2024$.

## E. PROPOSALS

1. Proposals are to be clearly explained and identified. Either a unit price or lump-sum price, as the case may be, must be stated for each and every item, either typed or written in ink. All costs, including optional programs, must be clearly stated and summarized. Exceptions or deviations from the specifications must be explicitly identified by proposal attachment, appendix, or addendum labeled "Exceptions". Failure to follow these instructions may be grounds for disqualification of a proposal.

Please Note: If no exceptions are listed or identified in the manner outlined above, it will be presumed that the proposal contemplates the services specified. Also, it is mandatory that all proposers list Exceptions of any material restriction that may be proposed by Providers. The Exception section of your proposal should also be used to list any specifications with which you cannot comply for legal, privacy, security, or any other reason.
2. Each agent is asked to screen his or her proposals for correctness and compliance with the specifications.
3. Proposers may withdraw their proposals at any time prior to bid opening. However, proposers may NOT withdraw or cancel their proposals after bid opening.
4. The County will accept one of the proposals, or a combination of several parts of more than one of the proposals, or reject all proposals as soon as possible after the time for close of proposals.

## F. QUALIFICATIONS

All providers submitting proposals for the County's claims administration services must meet the following minimum qualifications:

1. The provider must be duly licensed or approved to do business in the State of North Carolina, and must have local support service capabilities.
2. The provider must have Errors and Omissions insurance, with a limit of at least $\$ 1,000,000$ peroccurrence. A certificate evidencing this coverage must be included with the proposal. This insurance must be purchased from insurers acceptable to the County of Harnett, and must provide coverage for errors, omissions, or losses which take place on or before the inception date of the first contract between the County of Harnett and the provider. The provider may maintain reasonable and customary deductibles, subject to approval by the County of Harnett.
3. Each provider must also maintain a Fidelity Bond covering its employees and agents at minimum limits of $\$ 1,000,000$ per claim. This insurance must be maintained during the full term of the contract with the County of Harnett, and any extensions or renewals thereto, and for a period of two years after the last contract between the County of Harnett and the provider has been terminated.
4. The provider must have been in business for at least three years.
5. The provider's claims adjusters on this account should have at least five years of experience in Workers Compensation claims adjusting, and/or hold an insurance designation, and must have experience in claims matters for municipalities. Please include the resumes of all proposed account representatives in your proposal.
experience in claims matters for municipalities. Please include the resumes of all proposed account representatives in your proposal.
6. If independent servicing firms are to be used for any claims services, their names and addresses must be shown.

## G. TERMS OF SERVICE AGREEMENT

The contract term shall be for a period beginning on July 1, 2024, with a July 1, 2025 anniversary date. Fixed-fee proposals are requested for one and three-year contracts with options to renew for two additional one-year contracts. Any terms and conditions stated in the original specifications will apply to any extended periods. Approval on behalf of the County to renew this contract shall be made by the County.

## H. SELECTION CRITERIA

The County of Harnett reserves the right to award the subjects of the RFP, in whole or in part, to those providers who demonstrate professional competence in submitting proposals that satisfy cost and servicing criteria. Proposals will be carefully evaluated for cost effectiveness and compliance with the servicing criteria contained in the specifications. The County will consider the merits of each proposal, either on a consolidated or fragmented basis. Award may be made to the responsible provider that, in the County's sole discretion, best meets the needs and interest of the County. The County has little interest in marketing materials that lack substantive direct responses to this request. Verbose, generic, or boilerplate responses to this RFP will be evaluated with similar regard given to this section of the RFP.

## I. SERVICING CRITERIA

The County of Harnett strongly desires to receive personalized and timely professional services of the highest professional quality from the selected provider. Claims Service Providers who demonstrate the professional capability, expertise and experience in handling an account the size of the County of Harnett will receive favorable consideration. Servicing criteria will be evaluated in terms of such considerations as:

1. Number of years in business
2. Size of staff and location of office(s)
3. Experience of provider's staff
4. Professional servicing capability (loss control, claims management, utilization review, information storage systems, etc.)
5. Capability and willingness of the provider to personally respond to the professional needs of the County in a timely manner
6. Technical skills of staff as respects claims issues and knowledge of certain internal risk management administrative considerations (budgets, cost allocations, legal trends, etc.)

## 7. Compliance with terms outlined in this RFP

Appropriate emphasis will be placed on these considerations with respect to the evaluations of the proposals, as well as the servicing plan requested in this section of the specifications. Each proposer is asked to submit a written addendum to his proposal which responds to this item, and which specifically identifies the names of personnel who will be responsible for servicing the County of Harnett. The written addendum should include the qualifications and experiences of account executive personnel and technical support persons who will be directly responsible for servicing the County of Harnett. A proposed plan should be clearly explained how you intend to deliver the requested services in a personalized and timely manner.

## J. MARKETING PHILOSOPHY

It is not the philosophy of the County to frequently request competitive proposals. The County intends to develop a relationship with its claims service provider, and to remain consistent with this philosophy after completion of this RFP process. However, the County will retain the right to terminate any service agreement if the provider does not meet the performance criteria agreed upon at the inception of the agreement.

## K. DISQUALIFICATION AND REJECTION OF PROPOSALS

Failure to comply with the requirements or the procedures set forth herein, or to satisfy the servicing criteria as set forth in the specifications, may result in disqualification of the proposer or rejection of the proposal. It is not intended that technical exceptions to the specifications will, in and of themselves, disqualify proposers, unless the exceptions are deemed to be material. The County of Harnett reserves the exclusive right to determine what is or is not material.
L. LEGAL

All proposers are expected to comply with all federal, state and local laws and regulations relative to the preparation and submission of proposals for third-party claims administration services. All proposals that are submitted will be presumed to be compliant with all applicable laws.

## M. AUTHORIZED SIGNATURE

All proposal forms must be signed by persons who have the legal authority to bind the provider to the contract that is proposed.

## SECTION II

## SPECIFICATIONS REQUIREMENTS

Specifications for Claims Administration Services ..... 6
Minimum Servicing Criteria ..... 11

## SECTION II

## SPECIFICATIONS FOR CLAIMS ADMINISTRATION SERVICES

1. Claims Services are to be provided under a fixed-fee contract. Fixed-fee proposals are requested for one-year and three-year contracts, with options for two one-year contract renewals. All proposals should provide a breakdown of the cost by line of service. The proposals should specify the charges for utilization review, case management, and for any categories of service which are not contemplated by the fixed-fee arrangement. Also, the proposals should indicate any run-off/run-in costs for open claims at the end/beginning of the term of the service agreement.
2. The fixed-fee arrangement must contemplate the following, at a minimum:

- Claims processing
- Filing documentation and attending hearings with the North Carolina Industrial Commission or any other governmental agency
- Creating and maintaining claims files
- Claims investigation
- Establishing reserves
- Managing the loss fund furnished by the County
- Settlement and payment of claims
- Providing loss reports to the County
- Meetings with County personnel

3. The service agreement with the third-party claims administrator (TPA) should include the following:
a. The initial term of the agreement will cover claims occurring from July 1, 2024, through June 30, 2025 (year 2027 for a 3 -year contract). Fixed-fee quotations are to include claims for events occurring within this period, and reported before July 1, 2025 (year 2027 for a 3-year contract).
b. The County will have the right to direct the handling of any claim or to take over the handling of any claim at any time during the life of the service agreement and during the life of the claim.
c. The County's approval must be obtained prior to final disposition of any claim settlement for any amount. All settlements will require a signed release before any check is issued. In addition, the County's approval must be obtained prior to executing a check or draft for any other claim.
d. The County will retain the right to select the attorney(s) it desires in the defense of any claim.
e. The County will retain the right to select its own medical service providers, as well as others utilized for special claims handling procedures.
f. The TPA will conduct an on-site investigation of any claim at the request of the County of Harnett within twenty-four (24) hours of receiving the first notice of loss. At the discretion of the County, claims with severe loss potential will be investigated on the same day the claim is reported.
g. The TPA will contact claimants within twenty-four (24) hours of receiving notice of any claim.
h. The TPA will provide claims reporting services on a 24 -hour basis.
i. The TPA will furnish the County with all claims forms which are necessary for proper claims administration.
j. The TPA will provide on-line claims services to the County. At a minimum, the system should allow the County "read-only" access to the file for any claim handled by the TPA, including access to the adjuster's notes.
k. The TPA will furnish the County with a summary report of all claims or access to a system providing a summary report of all claims monthly. The monthly reports are to include year-to-date claims totals, a description of any reserve changes and third-party recoveries. The TPA will also furnish monthly reports of all medical and indemnity payments. Reports by the TPA are to include a breakdown of all claims by County department; accident type; claimant age, gender and occupation; claim severity; line of coverage; claimant experience level; time of day, week and year of accident; and type of equipment involved. One (1) copy of each report, or one hard copy plus the computer files for all materials, must be submitted no later than the 10th day of the month following the reporting period. These reporting requirements can be omitted if access to an online or electronic system that provides the County with this information in real time is included in your proposal along with proper training.
I. The TPA will meet with the County to review the status and/or handling of up to twenty-five (25) claims, to be selected by the County, at least once each year.
m . The agreement will specify what loss control services will be provided at the request of the County, and what the additional cost of such services will be, if any.
n. The agreement will include an indemnity provision to protect the County against errors or omissions committed by the TPA. The provision should also specify that the TPA agrees to hold the County harmless and to indemnify the County for all loss arising out of any claims alleging an error or omission with respect to the services performed by the TPA.
o. The agreement will specify that the TPA is responsible for complying with the reporting requirements of any excess insurance policy. (Copies of such reporting requirements will be forwarded by the County prior to the inception of the agreement.)
p. The agreement will specify that all claims reported under the contract will be administered until fully settled, regardless of the period of time involved or required, unless instructed otherwise by the County.
4. The County will make funds available that the TPA may draw from for claims and/or loss payments. The funding arrangement should allow the County to hold all funds for outstanding claims and reserves. A loss fund will be maintained in an amount agreeable to the TPA and to the County. All proposals should specify the method of determining the amount to be maintained in the loss fund, and should describe any escrow requirements.
5. All claims reports must utilize the same injury codes, classification codes and departmental codes as the County's current system. Please provide specimen copies of claims reports.
6. The TPA will furnish the County with monthly summaries of the loss fund and expenditures, including a list of all checks, vouchers and voided checks, in numerical sequence. The summaries must include the following:

- Claimant name and claim number
- Date of issue
- Amount
- Payee
- Type of benefit paid
- Benefit period
- Description of Injury

Note: This reporting requirement can be omitted if access to an online or electronic system that provides the County with this information in real time is included in your proposal along with proper training.
7. Proposals must include a description of the TPA's policies and procedures to ensure and measure internal quality control. The policies and procedures should address all aspects of the claims handling process, including:

- Claims adjuster/supervisor case loads for workers compensation
- Claims file documentation requirements
- Investigation and communication
- Reserving guidelines
- Frequency of reviews of open claims reserves
- Diary system maintained for all claims activities
- Frequency of supervisor's review of each adjuster's claims files
- Frequency of follow-up contacts with workers compensation lost-time claimants
- Pursuing subrogation
- Litigation/attorney management
- Expense controls on other vendors
- Special investigation or surveillance procedures
- Compliance with insurance reporting requirements
- General client servicing requirements and guidelines

8. Proposals must include a description of, and indicate the charges for the services listed below, plus any other allocated loss expense. Also, proposals must indicate which of the services can be broken out separately from the main contract with the TPA.

- Early intervention programs (medical case management)
- Utilization review/pre-authorization services
- Medical bill audits
- Availability and use of PPO networks or other medical fee discount arrangements
- Rehabilitation services
- Vocational case management services
- Assistance with development of a return-to-work program, medical provider program and medical case management protocol
- On-line computer services
- Attending NCIC and/or other government hearings
- Pursuing subrogation
- Run-in costs for open claims at contract inception
- Run-off costs for open claims at end of contract term

10. The TPA servicing office should have a designated manager (in addition to the line adjusters and supervisory adjusters servicing the County of Harnett's account) who serves solely in a management and administrative capacity. Please provide a description of the TPA's organizational structure.
11. Any request for settlement authority will be submitted to the County of Harnett with the following information:

- A description of the facts and nature of the incident
- A description of the damages and/or injuries
- An evaluation of the incident
- The claimant's demand
- The amount for which authority is requested

13. The selected TPA will be subject to the approval of the excess insurance company(ies).
14. The selected TPA will be subject to periodic claims audits by an independent firm at the discretion of the County of Harnett.
15. Please provide a copy of the contract for claims administration services.
16. Please provide a description of the on-line claims service and attach a sample copy of an on-line illustration or exhibit.
17. Please indicate method of payment required and provide details on any available installment plans.

## MINIMUM SERVICING CRITERIA

The County requests that any provider with which it enters into a contract (for claims administration, loss control, safety, or any other related services) agrees to comply with the following performance criteria. If the service provider fails to comply with any part of the criteria to which it agrees, the County will have the right to terminate the service agreement with thirty (30) days' notice. The County will allow a thirty (30)-day period for any service provider to remedy a deficiency. If a contractor's failure to comply with the minimum servicing criteria is not remedied within thirty (30) days of notification by the County of Harnett, all fees accrued during the period of non-compliance will be reduced by $5 \%$.

1. The TPA will obtain the County's approval prior to final disposition of any claim settlement.
2. The TPA will conduct an on-site investigation of any claim at the request of the County of Harnett within twenty-four (24) hours of receiving the first notice of loss. At the discretion of the County, claims with severe loss potential will be investigated on the same day the claim is reported.
3. The TPA will be available for claims reporting on a 24 -hour basis.
4. The TPA will furnish the County with the following reports:

- Monthly reports of all claims with year-to-date totals
- Monthly reports of all medical and indemnity payments made during the preceding month
- Monthly summaries of the loss fund and expenditures, including a list of all checks, vouchers and voided checks in numerical sequence
- Quarterly reports of all claims with breakdowns of claims by County department; accident type; claimant age, gender and occupation; claim severity; line of coverage; claimant experience level; time of day, week and year of accident; and type of equipment involved

Note: These reporting requirements can be omitted if access to an online or electronic system that provides the County with this information in real time is included in your proposal along with proper training.
5. The TPA will meet with the County as follows:

- Annually to review the status and/or handling of up to twenty-five (25) claims selected by the County
- Quarterly to review all open claims and any other matters at the discretion of the County

6. The provider will submit all accident reports and related filings and attend all hearings with the appropriate State agency for workers compensation claims.
7. The provider will maintain a complete and orderly claims file for each claim submitted by the County. The claims files are to be available for inspection at any time requested by the County.
8. The provider will comply with all claims reporting requirements of the County's excess insurance policies.
9. The provider will use workers compensation claims personnel to serve as adjusters on the County's workers compensation claims.
10. Any claim for which an adjuster establishes an initial reserve of $\$ 5,000$ or higher will be reviewed by a claims supervisor, and the claims file will be documented accordingly.
11. The provider will arrange for an audit of every medical bill.
12. Workers compensation case loads for individual adjusters will be maintained at 125 open lost-time files or fewer.
13. The TPA will contact each workers compensation claimant within twenty-four (24) hours of the report of injury.
14. The provider will respond to any request by the County of Harnett within twenty-four (24) hours from the time a request is made.
15. At a minimum, one workers compensation adjuster will be assigned to the County of Harnett, and will give priority to any claims matter or request by the County.
16. Initial reserves for workers compensation claims will be established within seven (7) days of receipt of first notice.
17. All claims reserves will be reviewed at least every sixty (60) days. Any reserve changes will be indicated in the reports submitted to the County.

## SECTION III

## OPTIONAL EXCESS WORKERS COMPENSATION INSURANCE

The County of Harnett requests an optional quote for the cost to place its Excess Workers Compensation Coverage. The County of Harnett requests that respondents outlined the cost for marketing and placing this coverage on behalf of the County on a fee basis, net of commissions. If selected it is anticipated that the successful bidder will be assigned all interested insurance carriers to obtain quotes on behalf of the County.

To clarify, actual quotes from insurance carriers are not being requested at this time. This optional request is for participants who choose to identify the costs associated with providing Excess Workers Compensation coverage to the County on a fee basis, net of commissions.

Below is an outline over the County's Current Program:

1. Limits of Liability - Statutory limits for excess workers compensation insurance, and limits of $\$ 1,000,000$ each accident for employers' liability insurance.
2. Deductible/Self-Insured Retention - The County currently self-insures its workers compensation risks up to $\$ 1,000,000$ each accident all employees. Other deductibles will be considered providing that debits/credits extended justify the transfer/assumption of risk.
3. Any deductible or self-insured retention includes allocated claims expenses (outside legal and other allocated claims costs).
4. Volunteers are included within the definition of covered employee.
