

Harnett County Health Department

Make **Time** for a **Mammogram**

Mammograms are the best way to screen for breast cancer. A mammogram is a low dose x-ray of the breast.

Give yourself the best opportunity to detect breast cancer early by scheduling your yearly mammogram.

The Health Department provides access to mobile mammography screenings in partnership with Rex Mobile Mammography. **Upcoming screening dates:**

October 19, November 16, December 21

*For women who are uninsured funding assistance is available for those who meet program criteria.

Schedule Your **Mammogram!**
