All patients must present a photo ID and insurance card if applicable and have a scheduled appointment and be pre-registered.

Please fax documents directly to the REX Mobile Mammography office at (919)784-4205.

To be eligible for a screening you:

• Must have an active physician or medical home
• Must not have a personal history of breast cancer
• Must not have any abnormal symptoms (i.e. pain, new lump or nipple discharge – please contact your physician for follow up if you have any of these symptoms.)
• Must be at least 35 years of age (confirm coverage with insurance carrier)
• Must not have had a mammogram in the last 12 months (confirm coverage with insurance carrier if less than 12 months)
• Must make us aware if you have breast implants so you can be scheduled appropriately
• May not be pregnant or breastfeeding.

Please be sure to include the full name, address and phone number of your physician on registration form. All patients must have a physician. Please also be sure to indicate where you had your last mammogram. If your previous mammogram was with REX, please indicate it on the form.

Prior to your appointment, call the mammography facility and have them send your last mammogram films and report to:

REX Image Service Center
2800 Blue Ridge Road, Suite 210
Raleigh, NC 27607

If you are uncertain about your previous mammography facility, please call your physician’s office and have them check your medical record report.

Attention to these guidelines will help us greatly in the registration process and will reduce the wait time on the day of your exam. Thank you for choosing REX Mobile Mammography to provide your annual mammogram.

If you have any questions, contact your site coordinator, or you may call REX Mobile Mammography at (919) 784-4210.
