

# Harnett County Health Department

## 3<sup>rd</sup> COVID-19 Dose

The Centers for Disease Control and Prevention is recommending that people who are immunocompromised get a third shot of either the Pfizer-BioNTech or Moderna vaccine.

The Health Department is currently making appointments for third (3<sup>rd</sup>) COVID-19 vaccine for persons who are **Immunocompromised**.

- To see if you qualify please visit [www.cdc.gov](http://www.cdc.gov)

At this time, booster doses for the general public have not been approved by the FDA or CDC. Monitor our website for updates.
