The REX Mammography Assistance Program is designed to help uninsured women, who do not qualify for BCCCP, in our surrounding areas in need of a screening mammogram through the REX Mobile Mammography Coach at their medical clinic, local health department or a community event.

Eligibility:
- Women must have a medical home (if not, contact your local health department)
- Women must be age 35 years and older for baseline screening mammogram
- Only women in need of a screening mammogram
- Women without medical insurance who meet the financial criteria (see table)
- Mammography Assistance Application must be completed and submitted with Pre-exam form for REX
- Applications can be signed by applicant at time of appointment and submitted with REX pre-exam form.

How to Qualify:
- All screenings are scheduled on the REX Mobile Mammography Coach. If the mobile unit visits your medical clinic or local health department, feel free to contact them to register for a free mammogram.
- Applications must be completed on all REX Mobile Mammography Assistance applicants and can be done through a community partner.
- If the REX Mobile Mammography unit does not come to your medical provider’s office or local health department, please call (919) 784-4210.

PLEASE NOTE THE FOLLOWING:
- UNC REX reserves the right to use their own discretion on covering all cases that may or may not fall exactly within the eligibility criteria.
- Household income should include patient requesting our service and her spouse.
- The number of people in household must be reflected on this application. This is the number of exemptions claimed on your tax return. Applications may be subject for review and required to provide proof of income.
