To Whom It May Concern:

The Dunn Erwin Railtrail Board of Directors would like for the Harnett County Sheriff's Department, The Town of Erwin Police Department and the City of Dunn Police Department to enforce policies that will enhance the safety along the Dunn Erwin Railtrail as needed. These are to write tickets and or arrest those who are creating an unsafe environment to the citizens that use the trail. Some of these may include **NO MOTORIZED VEHICLES** such as four-wheelers, dirt bikes, mopeds, and vehicles. There should also be **NO HORSE ACTIVITIES** along the trail, as well as **NO CAMPING OR HUNTING** along the trail.

The Dunn Erwin Trail is owned by Harnett County with the Railtrail Board as a group of Volunteers to oversee the care and upkeep. With parts of the trail in both Dunn and Erwin, both municipalities take pride in the trail and do their parts to help with mowing, spraying, and general upkeep. We appreciate any help in keeping vehicles and horses off of the trail as they destroy the surface by digging ruts and kicking the dirt and granite fines off the walking surface making it easy to turn an ankle, or make a bicyclist lose control and fall. Any and all help in these situations is greatly appreciated.
