Conditions

13. State any conditions that you would be willing to consider as part of the approved Special Use Permit. _____

14. Additional Comments the Board should consider in reviewing your application: _____

Action by the Board of Adjustment

The Board of Adjustment shall approve, modify, or deny the Application for Special Use Permit following the Public Hearing. In granting a Special Use Permit, the Board of Adjustment shall make written findings that the applicable regulations of the district in which it is located are fulfilled. With due regard to the nature and state of all adjacent structures and uses, the district within which it is located and official plans for future development, the Board of Adjustment shall also make written findings that the following provisions are fulfilled:

- 3.1 The requested use **is** in harmony with the surrounding area and compatible with the surrounding neighborhood.
- 3.2 The requested use **will not** materially endanger the public health and safety.
- 3.3 The requested use **will not** substantially injure the value of adjoining property, **or**, alternatively, the requested use **is** or **will be** a public necessity.
- 3.4 The requested use **will** meet all required conditions and specifications.
- 3.5 The requested use **is** in general conformance with the Harnett County Unified Development Ordinance (UDO), Land Use Plan, and other relevant adopted plans.

The Board of Adjustment may impose conditions on special use permits as part of the approval process. Conditions placed on the special use permit must be adhered to as part of the developmental process. Consent to any specified conditions must be received prior to the issuance of any development permits.

Note: The Board of Adjustment is a "Quasi-Judicial" Administrative Board. Quasi-Judicial means that the Board functions like a Court when proceedings are conducted. Sworn testimony is given, so everyone wishing to speak for or against an application or ask questions about a case must be sworn in. Those persons who cannot be sworn in for religious reasons may be "Affirmed". Land use professionals, including architects and engineers, land use planners, and other agents for the property owner may appear and testify as to factual matters and any expert opinions that they are qualified to present at the Board of Adjustment hearing; however, the presentation of other evidence, including the examination and cross-examination of witnesses, making legal arguments, and the advocacy for approval of the application on behalf of the property owner(s) is the practice of law that may only be performed by a licensed attorney at law.

A party wishing to submit a document into evidence must provide a copy to the Clerk during the hearing. Any document submitted into evidence will not be returned to the individual and must be retained by the Clerk as part of the official record of the case. The Board will accept a single copy of a proposed exhibit; however it is strongly recommended that enough copies are provided for each of the five Board members and the Clerk. Photographs, Videos, Recordings, Power Points or other types of evidence that are submitted via an electronic or digital device; must be pre-approved by the Harnett County IT Department prior to the start of the hearing. Personal computers such as laptops or other external media devices not belonging to the County will not be permitted to attach to the County's internal network. Documents cannot be submitted after the close of the hearing.

Action taken by this Board is final and cases are not taken to the Harnett County Board of Commissioners for review. Appeals of this Board must be filed with Superior Court. There must be three (3) Board of Adjustment members present at the meeting to hear a request for a Special Use Permit. A concurring vote from the simple majority of the Board shall be necessary to grant a Special Use permit.
