4. Be located in the unincorporated area of Harnett County, unless the incorporated area has adopted the Harnett County Voluntary Agricultural District Ordinance.

ARTICLE VIII  
APPLICATION, APPROVAL, AND APPEAL PROCEDURE

A. Application Procedure

1. A landowner may apply to participate in the program by making application to the chairperson of the Advisory Board or a designated staff person. The application shall be on forms provided by the Advisory Board. The application to participate in a District may be filed with the certification for qualifying farmland.
2. An agreement to sustain, encourage, and promote agriculture must be executed by the landowner and recorded with the Advisory Board. Permitted uses include agriculture, horticulture, forestry, and outdoor recreation.

B. Approval Process

1. Upon submission of the application to the Advisory Board, the Advisory Board shall meet within 30 days to approve or disapprove the application. The chairperson shall notify the applicant by first class mail of approval or disapproval of participation in the District.
2. Upon receipt of an application, the chairperson will forward copies immediately to the following offices:
  - a. The Harnett County Tax Assessor; and
  - b. The Harnett Soil and Water Conservation District Office, which shall be asked to provide comments, if any, to the Advisory Board prior to the date set for the Advisory Board vote on the application. ARTICLE IX  
REVOCATION AND RENEWAL OF CONSERVATION AGREEMENT

A. Revocation

1. By providing written notice to the Advisory Board, a landowner of qualifying farmland may revoke the Conservation Agreement or the Advisory Board may revoke the same Conservation Agreement based on noncompliance by the landowner, subject to the same provisions as contained in Article VIII for appeal of denials. Such revocation shall result in loss of qualifying farm status and loss of eligibility to participate in a District. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall revoke any preservation agreements prior to its expiration.
2. The Harnett County Tax Assessor will notify the Advisory Board when the farmland is no longer participating in the present-use-taxation program.

B. Renewal

Conservation Agreements shall be deemed automatically renewed for an additional term of 10 years, unless either the Advisory Board or the landowner gives written notice to the termination date.

ARTICLE X  
CONDEMNATION PUBLIC HEARINGS

A. Purpose

Pursuant to Section 106-740 of the North Carolina General Statutes, no state or local public agency or governmental unit may formally initiate any action to condemn any interest in qualifying farmland within a District until such agency or unit has requested the Advisory Board to hold a public hearing on the proposed condemnation.

B. Procedure

1. Upon receiving a request, the Advisory Board shall publish a notice describing the proposed action in the appropriate newspapers of Harnett County within five business days of the request, and will in the same notice notify the public of a public hearing on the proposed condemnation, to be held within 10 days of receipt of the request.
2. The Advisory Board shall meet to review:
  - a. Whether the need for the project has been satisfactorily established by the agency or unit of government involved, including a review of any fiscal impact analysis conducted by the agency involved; and
  - b. Whether there are alternatives to the proposed action that have less impact and are less disruptive to the agricultural activities of the District within which the proposed action is to take place.
3. The Advisory Board may consult with the County Agricultural Extension Agent, a Soil and Water Conservation District representative, and any other individuals, agencies, or organizations deemed by the Advisory Board to be necessary for its review of the proposed action.
4. Within five days after the hearing, the Advisory Board shall make a report containing its findings and recommendations regarding the proposed action. The report shall be made available to the public prior to its being conveyed to the decision-making body of the agency proposing the acquisition.
5. There will be a period of 10 days allowed for public comment on the report of the Advisory Board.
6. After the 10 day period for public comment has expired, the Advisory Board shall submit a final report containing all of its findings and recommendations regarding the proposed action to the decision-making body of the agency proposing the acquisition. The final report will also be submitted to the Harnett County Board of Commissioners. Final reports involving Districts in incorporated areas which have adopted the Voluntary Agricultural District Ordinance will be sent to the decision-making body responsible for that particular incorporated area.

7. The total time period, from the day that a request for a hearing has been received to the day that a final report is issued to the decision-making body of the agency proposing the acquisition, shall not exceed 30 days. If the agency agrees to an extension, the agency and the Advisory Board shall mutually agree upon a schedule to be set forth in writing and made available to the public.
